

SAMPLE

RIOS CERTIFICATE

Sample layout — Recycling Industry Operating Standard documentation

Organization	FTD Environmental Tech
Location	Silver Spring, Maryland, USA
Management system (sample)	Integrated QEHS practices for electronics recycling operations
Standard referenced	RIOS (illustrative sample layout)
Document ID	FTD-RIOS-SAMPLE-2026
Issued (sample)	July 29, 2026

This SAMPLE certificate illustrates an operating-standard style document FTD can share with prospective clients. It demonstrates structure and branding while formal license packages are completed.

Sample operating themes

- Continual improvement across quality, environmental, and safety performance
- Legal and stakeholder requirements applicable to electronics streams
- Worker protection and pollution prevention in processing areas
- Customer communication from pickup through certificate delivery
